Please check out our class pages on the school website for all three classes.

Term 3 – 3rd February 2020

Dear All,

Thank you all very much for your support and concern after last week's incident. I am pleased to say we now have more iPads thanks to the team at TPLT – definitely an example of being stronger together as a Trust.

We have a busy week with Bikeability for our year 5s on Wednesday and NSPCC Number Day on Friday. The children can wear a 'number related' top on Friday in exchange for a donation to the charity and we will be doing lots of maths-related activities and challenges with the children. I can't wait!

Thank you for your continued support.
Emma Barker

LEARNING REVIEW MEETINGS

This term's Learning Review Meetings will be taking place on Tuesday 11th February and Thursday 13th February. Time slots will be posted on the school gates this week. This is a great opportunity for parents to sit with their child and class teaching staff to discuss their progress at school and how you can help support their learning at home. The children take great pride in talking through their achievements and hard work and we hope as many of you can make it as possible. If you are

not able to sign up for a time slot in person then please feel free to call the school office to book a time.

VACANCY

We are pleased to announce that we have a new vacancy available for a lunch time supervisor role. We are looking for candidates to help support the children as they have their lunch and spend time with their friends. The hours are 12:15- 13:15 Monday to Friday, term time only. If you have good interpersonal skills and would like to join our small and friendly team then please email recruitment@tplt.org.uk for an application pack. Unfortunately, we cannot accept CV's or applications in person. All applications must be received by **Friday 7th February**.

CHICKEN POX

Please be extra vigilant for your child/ children showing any symptoms of chicken pox. There have been a few cases recently. Chickenpox is a mild but highly infectious disease that most children catch at some point. It takes 10-21 days for the symptoms to show after you have come into contact with the virus. This is called the 'incubation period'.

You are infectious from about two days before the rash appears until roughly five days after. Therefore, your child should stay at home **until all of the blisters have fully crusted over**, and this usually happens five to seven days after the first blister appears. After the last blister has burst and crusted over, you are no longer infectious and can return to school. If we suspect your child has chicken pox you will be asked to collect your child from school.

WORLD BOOK DAY 5th March 2020

This year we are hosting a whole week of world book day activities across the school. This year, instead of the usual dressing up as a book character we are asking the children to create their favourite character from a potato and bring them in on World Book Day for us all to admire! If children can also bring a copy of the book with that character in that would be great. Other activities planned are a Bedtime Story Evening and a Children's Book Swap – more details to follow. Our reading week activities start Monday 2nd March.

NUTTY NOAH

Our wonderful PTFA have arranged a fun afternoon of entertainment with Nutty Noah on Sunday 23rd February at the Pavilion. Tickets are available for £6 each from the office, with under 3's free. If you haven't seen Nutty Noah before we suggest you come along, it's suitable for all age groups and guaranteed to make you laugh. The PTFA are looking for raffle prize donations (chocolates, bottles of drinks etc for the event. Please bring to school by Friday 14th February

PAWLETT PRIMARY PTFA PRESENT

NUTTY NOAH

HOT FOOD
