5th May 2021

Dear Parents/Carers,

NSPCC Number Day – Friday 14th May

We would like to show our support for the children's charity, The NSPCC and their annual Number Day. This year we are holding our celebration on Friday 14th May.

We invite the children to come into school in their uniform as usual but they may wear a top that has numbers on.

Ideas include:

A top with a printed number on already (football or rugby shirt)

Make and add/draw some numbers on a top

Create numbers in school to add to a top (just make sure it's one you don't mind getting pins through!)

Please do not feel you have to buy anything for this – the NSPCC Number day is all about having fun with numbers. There will be activities throughout the day all to do with numbers for your children to enjoy! We will also be sending activities home for you all to join in with at home.

We hope you will join us in supporting this incredibly worthwhile and important charity and would encourage a suggested donation of £1 to be brought into school on Friday 14th May.

The attached link takes you to the NSPCC information for Number Day should you like to find out more; (their suggested day is the 7th May but we are holding ours on the 14th May)

Any questions, please ask.

Many thanks for your continued support,

Mrs Annabel Semken
