TERM 1 – 14th October 2022

Dear All,

A huge thank you from me for a successful and productive first term. It has been an absolute pleasure getting to know new children and families of our schools; as well as seeing and spending time with our existing families. My 'Meet the Head' coffee mornings were a big success and I will be doing it again in terms 3 and 5 – more details nearer the time.

As I walk round our school I can see, hear and feel the learning in action, there is such a buzz about the enquiries children are investigating – their curiosity is infectious! We are certainly Learning Together and Growing Together!

According to the feedback you have given us, our Learning Review Meetings this week were positive and informative – we are always keen to know your opinions about how we do things, so to hear this is heart-warming, thank you.

Thank you all for your continued support and if there is anything you would like to come and talk to me about, please do get in touch.

I sincerely hope you have a restful and relaxing break and we look forward to seeing you all for another exciting term from the 31st October.

Emma Barker
