TERM 3 – 10<sup>th</sup> February 2023

Dear All,

Here we are at the end of term 3, which means we are half way through the academic year *already!* Time does fly when you are having fun that's for sure.

A big thank you to your continued support and engagement in our learning review meetings this week. We really value your feedback on these – what you liked; what we could do better etc. If you didn't get a chance to complete a feedback form, please feel free to email me/us.

Talking of feedback, we want to hear your views about our school so a survey is going out today to just you lovely Pawlett families. We want to know what you feel we can do to make our school even better; we will listen.

Thank you all for your continued support. Have a great half term break and whatever you may be doing may it be full of fun, memory making and things that make you smile!

See you bright and breezy on the 20<sup>th</sup> February 2023.

Emma Barker

We can't stress just how important good school attendance is. Every minute of every day counts towards your child becoming the very best version of themselves. Below is an attendance table for the week ending Friday 20<sup>th</sup> January 2023 to show you what the average attendance is for each year group. The TPLT column shows the average attendance for each year group across the five primary schools in the Trust. It shows that we all need to continue working very hard to improve attendance and your support with this is crucial.
