

**TERM 4 – 15<sup>th</sup> March 2024**

Dear All,

**BIKEABILITY**

We have unfortunately decided to cancel this years Bikeability for year 5's but they will have the option to do it next year when they are in year 6.

**YEAR 6 RESIDENTIAL**

A gentle reminder to our year 6 families that you have 2 months left to pay the full amount for year 6 residential. The deadline is 10<sup>th</sup> May. If you are experiencing any issues with completing the payment, please don't hesitate to pop into the school office to discuss. We would love for all of our year 6's to attend.

**CLUBS**

Term 5 After School Clubs and Breakfast Clubs will be live on Weduc from Monday 25<sup>th</sup> March.

Well Spring seems like it is just around the corner (hopefully!), and the children have been very busy bees with their learning over the last two weeks. This week has been assessment week and all your children have approached this round with maturity and a sense of calm - well done everyone!

We have had lots of visitors in our schools over the last few weeks and the feedback that we have received from them has been very positive, I wanted to share one piece in particular as I think it is something we should all be proud of, *"thank you so very much for enabling us to visit your schools; it has been such a treat and we have got loads of ideas to take away with that we can see is making a difference to you and we want to try them. Overall however I wanted to say how kind your schools feel, they are obviously well loved and well cared for you can feel it and see it everywhere we have been."* Now that made me burst with pride, and it should you too.

As always, if there is anything you would like to talk to me about, please feel free to contact me.

Thank you for your continued support.

Emma Barker

Great work Eco Warriors!

Members of our Eco School Committee have also been meeting at lunch time to complete an eco-survey of our school. Our findings will build an action plan for the remaining two terms of school.
