TERM 6 – 7th June 2024

AFTER SCHOOL CLUBS

SUMMERS COMING

Dear All,

We are well into the swing of term 6. We hit the ground running from Monday and it has been all systems go since. We are sincerely sorry that sports day was postponed this week, it is never an easy judgement to make and going forward for the rescheduled date - we will make the call by 11am weather depending. *If* (and I do mean if) we have to postpone again (which is always a possibility with our unpredictable summers) we do have time before the end of term to do it.

Can I please remind you the correct school uniform (including correct PE kit) does need to be worn to school - including shoes. It is really important in building our school community and a real sense of belonging for our children. I do appreciate this time of year you won't necessarily want to buy new uniforms, therefore we have a large collection of pre-loved uniforms that need new homes!

As always if there is anything you would like to talk to us about, please get in touch.

Thank you for your continued support.

Emma Barker

There are still places available on this terms Messy Church, Thrive club and Explorers Club! Book via Weduc in the usual way.

FATHERS DAY WRAPPING

Next Wednesday, the children will be invited to choose a gift, and wrap it, for a special man in their life.

A voluntary donation of £1.00 towards the gift would be kindly received by the PTFA.

As we edge closer to Summer, please remember that your child needs a sun hat and should be coming into school with sun cream applied. If a child does not have a sun hat, they will either need to stay in the shaded areas or inside the school building.

On really hot sunny days, children will be encouraged to stay in the shade as much as possible. We are very fortunate to have lots of shady tree covered areas on our playing field. They will also be encouraged to drink plenty of water throughout the day.

SCHOOL UNIFORM

Wearing the correct school uniform creates an identity for our school and is an important part of being a school pupil. Uniforms create a sense of belonging to a particular school and an identity for the school in the community. Perhaps most importantly, a uniform means students don't have to worry about peer pressure when it comes to their clothes.

UNIFORM REMINDER

- Grey shorts, trousers, skirt or pinafore dress. *(Leggings or track suit bottoms are not suitable)*
- Red check or stripe summer dress
- White polo shirt or collared button through shirt
- Red cardigan or jumper
- Black sensible shoes *(no trainers or heels)*

PE KITS

- Plain red short sleeve t-shirt
- Plain black shorts, leggings or tracksuit trousers
- Black PE plimsols

When everyone is dressed the same, worrying about what you look like isn't so important. There is no competition about being dressed in the latest trend, which can put a great deal of financial pressure on parents. For some children, wearing a different jumper, or top makes them 'stand out' from their classmates. This can be very upsetting for some children and unnecessary issues often arise when the children are asked to remove the item that is not uniform. Of course, this can be readily avoided if parents encourage their children to wear the correct uniform, as they will need to when transferring to secondary school.

We have plenty of pre-loved items we will be happy to provide to those in incorrect uniform. Thank you for your support.

READING CAFÉ

Come in and join your child's class in sharing our love of reading. Whether it's reading independently, listening to each other read or listening to the teacher read, you are all welcome to join us.
