TERM 6 – 5th July 2024

Dear All,

Thank you all for your continued support with all things teaching and learning that we are doing across our school.

Keep on with the reading with your child, timetables practice and simply talking to them about their learning ALL makes a difference.

Next week I will sending out details about exciting new roles we have in our schools for you as parents; your views and voice is incredibly important to us and we want to be part of our continual school improvement, so watch this space.

As always if there is anything you would like to talk to us about, please get in touch.

Thank you for your continued support.

Emma Barker

MEET THE TEAM

Hello, I'm Rachel Hine and I'm the new SENCO. I've had a very warm welcome to the Pawlett Primary School Academy community. I have worked at West Huntspill and East Huntspill for many years now, working across both schools over 2 days. At Pawlett I intend to work on Thursday mornings and I am contactable via the school office email and phone number.

I am the mother of 2 boys. My youngest has special educational needs and has just completed his first year at university. I enjoy walking and baking, I find them very good stress relievers so when my family see me making cakes they know to leave me alone and to come back when they are ready to eat!

If you have any concerns about your child you should speak with their class teacher who will listen to you and discuss anything that may need to be actioned. The class teacher will contact me if they need advice or have concerns about your child. Pawlett staff are very good at sharing

information and putting the needs of every child at the heart of what they do.

I hope everyone has a lovely summer and I shall see you in September.
