TERM 1 – 6th September 2024

Dear All,

Welcome Back all. I sincerely hope you have all had a wonderful summer break from school. We have certainly hit the ground running since the children have been back with us on Wednesday - what a joy it has been to see everyone - smiles all round.

Lots of information will be coming your way regarding areas of learning, including a new 'Tell Me About' sheet (which your child will get a paper copy of too). The aim of these this year is literally a prompt for your child to tell you about their learning enquiries. We have three big questions every year for each phase, and mini enquiry questions to help build skills and knowledge in our foundations subjects such as history, geography.

You will also see a piece on this newsletter about our Deputy Head who is also now our Designated Safeguarding Lead. Our wonderful Deputy Head is on site every day. I, along with our Operations Manager Abby Priestly will continue to work across the three sites.

What a wonderful start to the 2024-25 academic year.

Thank you for your continued support.

Emma Barker

SCHOOL CENSUS

At the start of each school year we send out a copy of the details the school holds on record for your child. This includes vital medical information, parental responsibility, contact information and personal data that the school relies on to provide the best care for your child. A copy of this information is being sent home with pupils in their book bags this week. Please ensure that the details are checked, amended if necessary, signed and returned to the school office by 20th September.

CONSENT FORMS

Please visit the reach more parents app (weduc) to update your consent for photography permissions and home time arrangements for your child. To do this please visit the forms section and complete by 20th September. READING BOOKS

Reading books will be changed every Monday.

This is important in supporting the children to build their knowledge alongside our phonic programme. It is valuable for the children to read the same book each evening, in doing so they will build fluency and speed, whilst deepening their understanding.

Our goal is for the book to feel achievable and 'easy' to ensure reading is enjoyable allowing the message and story to be understood.

This will build passionate readers!

If you would like any further information please speak to Ms Hartnup, we will send out a letter next week with more information.
