Dear All,

We have had an amazingly productive week of learning across the school this week. The children have been so curious and engaged in what is going on in their classrooms and the whole school they haven't even realised another week has gone by. At the start of term we sent out the Tell Me About sheets - we do hope you are finding those a useful guide to help you talk to your children about their learning. Let us know!

Learning Review Meeting appointments are filling up fast -please book a 10 min appointment with your child's class teacher to talk about their progress and how we can best work together.

Have a wonderful weekend, thank you for your continued support.
