TERM 2 – 29th November 2024

RESPECT

Dear All,

Well winter certainly felt like it came this week didn't it, what with that and nativities/carols beginning to be practiced - there is certainly that feeling in the air.

However we still have 3 full weeks of learning, engagement and practice to enjoy until the end of term and we intend to keep school as calm, kind and consistent in the coming weeks.

I am sure you will all agree that kindness is a crucial aspect of all relationships - we model kindness in school all the time, we expect all our children and families to be kind to each other especially in even more challenging situations. I believe that is when we need to be even kinder. So as my Granny used to say to me, "if you have nothing kind to say, say nothing at all" - sound advice I think.

Thank you for your continued support.

Emma Barker

We pride ourselves in being a school that promotes respect of ourselves, of others and our environment. These values can be seen and heard in our classrooms, Learning Street and outdoor spaces. Both children and adults alike are respectful, empathetic and understanding. Please be reminded that this should work both ways.

Of late a very small number of individuals have failed to communicate respectfully. When speaking to any member of school staff, please be respectful – we are thick-skinned and resilient, but we are also human. Thank you to the overwhelming number of our parents who continue to communicate with team members in a respectful, friendly manner.

We'd also like to take this opportunity to remind all our families of the following:

- Messages for class teachers/teams should be shared with the team members on the gate, usually Mrs Jeffries and/or Mrs Grant. These will be passed on to the appropriate team.
- Administration enquiries - where possible please use WeDuc and/or email. If it relates to medicine, payments or tickets, please use the doorbell to make a member of the office team aware.

CHRISTMAS CARDS

Pawlett Express Post Box will be back in service from Monday 9th December to Thursday 19th December with collections and deliveries made twice a week on Tuesday & Thursday.

Each envelope should clearly state the child's name and class (Heron, Kestrel and Buzzard).

If your child would like to send cards to their friends across the school, please use this facility rather than sending them into class with your children.

MILK BOTTLES

We will all be making Christmas lanterns out of plastic milk bottles. Please send in your used plastic milk bottles.

WE THE CURIOUS

A gentle reminder that Heron Class have their trip to We the Curious next Wednesday. The coach will be leaving school promptly at 9.15am. Children should arrive at school at the normal time of 8.30am – 8.45am to attend morning registration. Children will need to take a backpack with them for their water bottles and lunches.

YEAR 6 RESIDENTIAL

If your child is in year 6 and attending the residential trip in July, don't forget that payments can be made in instalments from now.

SAFEGUARDING

If you have any Safeguarding concerns or just need to speak to a member of Staff confidentially you can book an appointment with our Designated Safeguarding Lead, Lesley Grant or our Deputy Safeguarding Leads, Emma Barker or Sally Jeffries. Please get in touch with the school office to arrange this.

CLIFTON SUSPENSION BRIDGE

Kestrel Class braved the cold and crossed the Clifton Suspension Bridge last week. They learnt all about Brunel and his brilliant architectural achievements.

DATES FOR THE DIARY

A reminder to collect your tickets from the school office before Wednesday 4th December. Any tickets left may be released as extra tickets.

6th December – Christmas bake sale and pre loved Christmas jumper sale
Please drop any donations into the school office.
School Christmas Disco – Pawlett Pavilion
20th December – Christmas jumper and Christmas lunch day.
Please book your child's Christmas lunch in the School Office.
