TERM 3 – 24th January 2025

JOB OPPORTUNITIES

Would you like to work in a school? We have a variety of job vacancies now available at our local schools. Please visit www.theplt.org.uk for more information and join our amazing teams.

YEAR 6 SWIMMING

The national curriculum guidelines indicate that all children should be able to swim 25 meters unaided by the time they leave primary school. All year 6's who currently are unable to complete this will be attending further lessons in term 4. Please check your Weduc app for further information and to provide your consent.

PTFA

HOW CAN YOU HELP?

We urgently need volunteers to help plan, organise and run a variety of successful fundraising events. Being part of the PTFA doesn't mean that you have to come to every meeting or event. There are many ways you can support us. This year money raised has helped pay for:

- Book bags for new reception pupils
- Christmas lunches for all pupils
- Year 6 leaver's hoodies
- Subsidise school trips and enrichment activities

Please speak to the school office for further information.

Dear Families,

FULL-ON learning, that is what I am seeing all over our school both in and out the classroom. I can't tell you how heart-warming it is to see, hear and feel the buzz of learning from children and staff.

We are working hard with the children on developing their talking and listening skills and it is already making such a difference to things like conflict resolution and deeper learning - watch this space for more on oracy in the coming weeks/months.

We would love to hear your feedback on the open questions and prompts in the 'Tell Me About' that we have sent home. These are designed to help you support your young person in their learning - let us know how you are using them and anything we could be doing even better.

Thank you for your continued support.
